
truth - That God, even our God, is our refuge and strength, an ever present help when the powers of darkness gather about us, and that He will hide us in the secret place of His presence until the calamities of this evil world be overpast.

May the sacrifices which have been made to achieve this victory become sacred in Thy sight, and at the same time inspire us to a closer walk with Thee.

Help us also O God, under the changed conditions, to possess our souls in meekness, knowing that God is on our side and fights for us, and that in a day yet to come, He will lead the nations of the earth into harbor of calm, when wars and fighting shall cease.

And now O Father, when and as the lights go on again all over the world, may all peoples everywhere look up and behold a brighter, a more brilliant light,- The light of knowledge of the glory of God in the face of Jesus Christ and turn to Him and serve Him and come to know of a surety that the utmost in blessedness is to live always close to God in Jesus Christ,

GOD BLESS AMERICA

God Bless America, Land that I love,
Stand beside her and guide her,
Through the night with a light from above,
From the mountains to the praries,
To the ocean white with foam,
God bless America, My home sweet home.

Thy throne O God is forever and ever; the sceptre of Thy Kingdom is a right sceptre. When I cry unto Thee, then shall mine enemies fall back; this I know for God is for me and performeth all things for me.

In this impressive hour therefore, we lift our hearts up unto Thee and gratefully pray as did the Apostle Paul, "Thanks be unto God who giveth us the victory through our Lord Jesus Christ."

We understand better now, our Father, the(Over)
